

ROLE DESCRIPTIONS

SUNDAY TEAMS (Leaders in Brackets):

Children's Teams (Sarah, Rebekah, Laurah & Joey): The team are dedicated to teaching God's Word to the precious children at Redeemer. More info on the different groups can be found [here](#). A leader needs to prepare the session during the week and set up on the day, while Assists support the teacher in the session. Regular training is provided.

You need to have a heart for getting children excited about Jesus and lots of enthusiasm. Redeemer-specific DBS needed, which we help you get. Arrival time is role-dependent (session leaders arrive for 2.15pm).

Welcome (Lucie): Arriving by 2.15pm, the team play various rotated roles from greeting outside, at the door to welcome & provide info, to linking newcomers up to regulars on Sunday and beyond. The team provides a heart-warming place that people want to revisit to hear the gospel. So if you're outgoing, genuine and enjoy making others feel loved, this is a great team for you.

Audio (Roma): Arriving at 1:30pm, this team helps people hear the worship and the gospel! Experience in sound or recording is useful but not essential, and a good ear is helpful. Many of the team started off with no knowledge but willingness to learn and are really great now. Full training is provided & the team make sure to help each other become increasingly able.

Visual (James): Arriving by 2.15pm, this team set up the projector and run slides during the meetings. Full training provided, though it's helpful to be a confident computer user.

Music (James): We're looking for gifted musicians and singers for Sunday mornings (audition required). You would need to get familiar with songs in advance of Sundays, and arrive by 1:30pm ready to set up and rehearse.

Venue (Gina): Putting out signs, stacking chairs, setting out Bibles, and so on, at the start and finish of Sunday services. This is a vital ministry!

Refreshments (Gina): Helping prepare refreshments before and serve them after Sunday services to create a really good atmosphere and help people get to know each other over a cuppa.
